

Dear Art and Design student,

To have all the essential Art materials required to complete your course in the 2026/27 academic year, you are required to purchase an Art kit. To purchase your Art kit, please call or visit our Learner Services team on Mondays to Thursdays between 09:00-17:00 and Fridays between 09:00-16:30. Payment can be made by cash or debit card (and this payment can be taken over the phone).

If you are entitled to the Learner Support Fund, the College will arrange for your art kit to be purchased from this fund, so no need for you to purchase it.

The Learner Services team can be contacted on **01925494400**.

All orders must be requested by Friday 11th September 2026. The order will then be placed and Art kits will be available for collection in early October (dependant on Abacus Resources dispatch date). There will be a requirement for students to purchase an initial sketchbook to be used within the interim period between September and early October, we recommend a hard backed A3 or A4 sketchbook. The additional sketchbook which is provided within the Art kit will also be required within the duration of the academic year so will certainly not be wasted. All other essential art supplies will be provided by the Art department for the duration of September to early October, so there will be no need to purchase any additional supplies whilst waiting for Art kits. We appreciate your support and patience during this time.
