

Sport Student Kit

Thank you for choosing to study with us here at Warrington and Vale Royal College. This year, once again, learners on Sport courses are expected to attend in the required uniform, as when we are leading activity sessions - such as refereeing football and rugby sessions with Warrington Wolves, LiveWire and primary schools - or visiting universities and completing activity sessions at the Velodrome or English Institute of Sport, for example, it is vital that we make an outstanding impression. The kit should be purchased through the online shop via the kit supplier, Kitlocker.com. This will be embroidered with the Warrington & Vale Royal College logo and when an order is placed, this will be sent directly to you at your home address.

The kit can be purchased at the link; <https://www.kitlocker.com/wvr/index.php>

As a suggestion, at a minimum, Sport learners are advised to purchase;

- A mid layer or track jacket (this can be full zip or $\frac{3}{4}$ zip);
- Two training tops to wear underneath the mid layer / track jacket;
- One pair of black pants if you have not already.

There are other items on the website which learners can also purchase, such as rain jackets, shorts or polo shirts, but this will be down to the learner / parent / guardian. The kit has been chosen so that both male / female learners can purchase items linked to their specific size / liking.

Learners are also reminded that while there are “lower body” options on the kitlocker website if you choose to buy them, you are encouraged to wear any suitable and appropriate shorts / tracksuits / sports leggings that you feel comfortable in wearing for your course – it is only essential to purchase sports uniform for your upper body. If you are in receipt of a bursary from college, please speak to your tutor so that alternative arrangements for ordering kit can be arranged.

The Sport uniform **MUST** be worn as soon as you receive it, ready for your normal timetabled day. Please be aware that these purchases are sourced directly from kitlocker and any problems with purchases / ordering kit will need to be taken up directly with the company.

If you are progressing from a Sport course that you completed last year and already have this kit, there is no requirement to purchase new kit unless you choose to do so.

If you have any questions, please contact kitlocker, or in college, please direct any questions to Learner Services in the first instance, so that teaching staff can then be informed.

Thank you once again for choosing Warrington and Vale Royal College for your studies. We very much look forward to working with you this year.

Best wishes,

The Sport Team
