Working at the College

Our environment is inclusive, friendly and supportive, with high expectations for both staff and students. To thrive in our environment, you will need to be resilient, positive, able to work autonomously, have a strong work ethic, and put our learners at the heart of everything you do.

Our College values are:

We put our students and customers first - prioritising students and their learning and progress, realising their potential, delighting our customers

We recognise that people are our greatest asset – recruit and retain the most talented staff, investing in them to fulfil their potential, creating a wealth of opportunities for personal development and progression, creating a culture of co-prosperity, rewarding them for the work they do

We pursue excellence in all we do - a passion for high quality education, training and skills solutions, holding ourselves to the highest possible standards, meeting (and exceeding) targets, making improvements, valuing creativity, supporting digital innovation and pedagogy

We embrace change - looking forward to the future, embracing new technologies, anticipating and responding to ongoing economic and social needs and demands, maintaining a growth mind-set, exploring new routes to partnership, collaboration and growth

We collaborate and work in partnership with others - actively seeking opportunities to work with others in the best interests of the college community and key stakeholders.

We operate sustainably, ethically and responsibly - taking action to achieve net zero carbon targets, acting with integrity, with high levels of accountability and complete transparency, treating others fairly and with respect, communicating clearly, concisely and openly.

We are guided by the principles of sound financial stewardship and operational efficiency - ever-mindful of an increasingly risk-laden operational environment, the need for broader sensitivity analysis in budgeting and forecasting and the importance of mitigating risks that could affect the college's solvency.
